

**If this proposed weight limit goes ahead it will have a knock on affect with Stow. It should not increase the traffic coming from Northleach but will undoubtedly mean that the traffic on the Oddington Road (from A44) will increase significantly.**

**Gloucestershire County Council & Stow Town Council will be strongly objecting to this proposal.**

**Please take the time to click the link below to find out all the information and email your objections directly to Oxfordshire County Council.**

The proposal is being put forward in conjunction with the Town council, and is aimed at promoting road safety, reducing danger & congestion, and improving the environment of the area. The proposals include the installation of advanced alternative route signage; for HGVs to use the A44 north-westwards from the A34, the A40 westwards from the A34, and the A429 from the A40 at Northleach (Gloucestershire) northwards to Stow on the Wold. In light of this, please find the following consultation documents attached:
