COUNTY COUNCIL

In light of the recent announcement from the Health Secretary, we wanted to remind you of the restrictions that will be in place from 00:01 31 December 2020 in order to help reduce COVID cases in Gloucestershire. We need to do everything we can to keep our family, friends, and colleagues safe, as well as protecting the NHS.

## Tier 4 restrictions

- 1 in 3 people who have coronavirus have no symptoms and will be spreading it without realising it.
- you cannot meet other people indoors, including over the New Year period, unless you live with them, or they are part of your support bubble. Outdoors, you can only meet one person from another household.
- you should not travel unless it is essential. Do not travel between tiers, you should stay local and avoid travelling outside of your local area.
- you must not leave or be outside of your home or garden except where you have a 'reasonable excuse'. You may leave your home for food, education, medical assistance and for work - if you can not work from home. A full list of what you can and can't do in Tier 4 is available on the [Government website](#).
- businesses will have different rules in Tier 4 - [more information is available online](#).

For an extensive list of restrictions please visit the [COVID advice page on our website](#).

The image is a black and white NHS poster with yellow and white text. In the top left corner is the HM Government logo. In the top right corner is the NHS logo. The main title is 'CORONAVIRUS TIER 4' in yellow, followed by 'STAY HOME' in large white letters. Below this is a yellow warning: 'THERE IS A NEW STRAIN OF COVID-19 WHICH SPREADS EVEN FASTER'. A list of instructions follows, each preceded by a yellow arrowhead: 'Around 1 in 3 people have no symptoms, so will be spreading it without realising', 'You must not leave home except for specific purposes: food, medical reasons or work', 'Do not travel unless necessary', 'Work from home if you can', and 'ONLY up to two people can meet in public outdoor spaces'. At the bottom, it says 'For further details, go to gov.uk/coronavirus' and a yellow box contains the slogan 'STAY ALERT • CONTROL THE VIRUS • SAVE LIVES'. On the right side of the poster, there are three concentric grey circles of decreasing size towards the center.
