

Housemates Re-invented

Homeshare Gloucestershire

Homeshare brings together older people who have spare rooms, with people who need affordable accommodation and who are happy to chat and lend a hand. Homeshare can be a great and safe option for someone who misses having other people in their home.

The Householder ...

Benefits from some low-level support and company at home.

The Homesharer ...

Is offered not just a place to live, but a real home.

Together ...

Householders and Homesharers share home life, time, skills and experience.

Homeshare Gloucestershire ...

Carefully matches people, oversees the arrangements and provides professional on going support.
