WEB CONTENT ACCESSIBILITY FOR WWW.STOWONTHEWOLD-TC.GOV.UK

The council is currently building a new website and had hoped to go live by now. It has been delayed but should be accessible within the next month.

The new website will be fully compliant to new legislation. However, in the meantime the council's current website is not and it does not have the resources to update all the content for such a short period of time until the new website goes live.

If you therefore need information on a different format contact us and tell us by making contact with the office and letting us now what format you would like the information to be sent to you.

Sincere apologies for any inconvenience this may cause in the interim.
