COTSWOLD DISTRICT COUNCIL PUBLIC NOTICE

Approval of the Neighbourhood Area for
Stow-on-the-Wold and the Swells

Neighbourhood Planning Regulations 2012

Name of approved Neighbourhood Area:

Stow-on-the-Wold and the Swells Neighbourhood Area

The subject matter

In January, Stow-on-the-Wold Town Council submitted a proposal to designate a Neighbourhood Area for Stow-on-the-Wold and the Swells following the town and parish boundaries. You can view the details of the area by visiting http://www.cotswold.gov.uk/nqcontent.cfm?a_id=14487&tt=cotswold.

Following the statutory consultation period, Cotswold District Council agreed to designate the area as proposed on 9th April.

Designation of a Neighbourhood Area is the first formal stage in developing a Neighbourhood Plan. The neighbourhood plan is a way for the town council and its partners to help shape how their community develops over the coming years.
