

Well Dressing, The Wells

Well Lane, from 25th May 2022

Stow on the Wold Primary School were delighted to be asked by Cathy Lyster to help dress the Wells in Well Lane for the Queen's Platinum Jubilee.

We researched into how wells are dressed in other towns especially those in Derbyshire and Yorkshire. We also looked at pictures of when the Wells in Stow were dressed previously. Each class designed their own beautiful board and they thoroughly enjoyed using a range of natural and man-made materials to complete their boards.

We are particularly proud to be able to use the button collection of one of our dear grandmothers to create the Queen's crown.

We hope everybody enjoys looking at the Wells over the Jubilee period. We certainly enjoyed creating them and hope they bring lots of pleasure to the residents and visitors of Stow.
