

DEAR RESIDENT,

We are writing to inform you that the **Stow-on-the-Wold 10K** will be taking place on **Sunday 21st June 2026**.

This exciting community event will bring runners and spectators to Stow-on-the-Wold, showcasing the beautiful Cotswold town while encouraging healthy activity and community involvement.

STOW ON THE WOLD 10K

GLOUCESTERSHIRE

ROAD CLOSURES

To allow the event to take place safely, there will be **temporary road closures** and traffic restrictions in place during the morning of the event.

All closures will be rolling wherever possible, meaning roads will **reopen as soon as it is safe to do so** once runners have passed.

Access for **emergency services** will be maintained at all times.

A detailed **route map** and estimated runner times will be made available on the event website prior to race day.

We appreciate that road closures can cause inconvenience and **thank you** in advance for your patience and understanding.

GET INVOLVED

The event relies on the fantastic support of the local community. If you would like to get involved, you can:

Volunteer on the day to help marshal the course and support runners.

Come out and **cheer** to encourage participants as they pass through the town.

Help create a **welcoming** atmosphere for runners and visitors alike.

FURTHER INFORMATION

If you have any questions or would like further information, please feel free to contact us:

Email: admin@futuresportsevents.com
